

ELM Site Interventions 2015-16

Service	Description	Students Targeted
AVID	Selected students are supported by a teacher and two tutors, participating in tutorials and reflective learning.	Educationally Disadvantaged, motivated to strive for college
Co-teach Classes	A General Ed and SPED teacher team up to teach courses with SPED and Gen Ed students, combined.	Students with Disabilities
Correcting Student Placement	CIS Coordinator works with counseling team at the start of the year to correct schedules of any students who have been misplaced.	English Learners, RFEP, SEI Students
Credit Recovery Classes	Offered before or after the school day, and taught by teachers on campus. Semester 1, English and two math classes were offered. Semester 2, one each of English and math.	Educationally Disadvantaged, students lacking credits
RFEP Monitoring	Our Bilingual Tester, Reyna Christina Ocampo-Tenorio, monitors RFEP's for two years, and typing comments in Power Schools. She observes students in classes, when possible.	RFEP Students
SEI Classes	Trained teachers create scaffolded curriculum for identified SEI students. Tutors also support students in select SEI classes.	English Learners
Specialized TSP: EL Support	"Triton Study Period" – 30 minute Advisory during the school day. New Program for 7 th grade students expanded scope of AVID/SEI tutors schedule. Small group support focusing on organization, work completion, and student self-advocacy	EL Students with Multiple D's and F's
Specialized TSP: SPED Support	"Triton Study Period" – 30 minute Advisory during the school day. Taught	Students with Disabilities

	during both 7 th and 8 th grade TSP. Support from SPED CIS, Holley Amado – monitoring, tutoring, student self-advocacy.	
Specialized TSP: Peer-to-Peer Support	“Triton Study Period” – 30 minute Advisory during the school day. 8 th grade class - Gen Ed peers seat paired with SPED kids and they socialize, help with class work, and homework.	Students with Disabilities
SST Meetings	Team of CIS, Counselors, School Psychologist, and Admin. Work together to find solutions for struggling students.	Educationally Disadvantaged
Study Skills Classes	SPED students supported with tutoring, re-teach and re-test, and student self-advocacy.	Students with Disabilities
TSP – Intentional Placements	Current 8 th grade students who are English Learners and failed one or more core classes last year, have been placed in a TSP taught by one of their Core teachers – based upon student subject need and teacher availability.	English Learners, Educationally Disadvantaged
Tutoring	On-site tutoring by teachers available free of charge for both grade levels. Subjects include English, math, and science – held at various times before and after school.	Educationally Disadvantaged, Open to All
