Why? At the Future Titan Night, parents and students of Eastlake High School's incoming freshmen will be receiving academic information from counselors in the theater. Counselors will be presenting information regarding the students' four-year plans, graduation and university admissions requirements, and more! In the gymnasium, students and parents will have the opportunity to learn about the wide range of academic and extracurricular activities available at Eastlake High School. This is a very informative, fun event and we hope that all incoming freshmen and their parents are able to attend.
