

Dear Triton Parents/Guardians:

Thank you for working with us in providing a very smooth start for our students. Open House is a very special time and research shows that when parents are involved with their child’s education there is a positive correlation with academic and social success. Our goal for each of our students is to provide them with a solid foundation for success in middle school, high school, the university and the world of work. I look forward to our continued partnership to ensure that all students receive a high quality education at EastLake Middle School.

Open House is a great opportunity to meet your child’s teachers, to obtain an overview of course content and to become acquainted with the campus and our mission. In other words, we want you to know your school. At this time we do ask that you not discuss the progress of your child as there will be many parents in each classroom. Please call your child’s teacher or counselor to discuss any concerns or to make an appointment for a parent teacher conference. Finally, please plan to visit our website at [elm.sweetwaterschools.org](http://elm.sweetwaterschools.org) where you will find additional information about the school. You may also click on our staff page where you can access your student’s teacher’s email address for further correspondence as needed.

**Because we anticipate a large turnout, we recommend that parents attend without their student. All parents/guardians should report directly to the period one classroom at 6:00 pm.** We will use our video broadcast system to begin the evening with a short principal’s welcome. During 3<sup>rd</sup> period, Mr. Diosa, our Coordinated Interventions Specialist, will conduct the vote for our parent School Site Council representatives. I look forward to meeting you on Thursday, August 9<sup>th</sup>. The school administrators will be walking around campus visiting classrooms and to assist you and answer any questions that you might have. Additional parking will be available in the north school field via the north school gate near the tennis courts. Go Tritons!

Sincerely,  
Ricardo Cooke, Ed.D.  
Principal
