Dear Future Triton Parent,

We had the pleasure of meeting your child at their elementary school today! Our Triton team, provided an overview of what to expect in middle school.

During the "Future Triton" presentation, we discussed the middle school curriculum and reviewed elective and extracurricular programs we offer. We have attached the **green 7<sup>th</sup> Grade Course Offerings Form** and a handout with the elective descriptions. Please sit down with your child and rank the top five elective courses of interest by ranking them 1-5 (1 being 1<sup>st</sup> choice, etc.). We will do our best to give your child their top choice.

**Please complete and return the following forms to your child's 6th grade teacher by March 11th:**
