Maria Esther Lizarraga
Executive Director of Curriculum and Instruction

March 12, 2019

Dear Parent/Guardian,

Congratulations! As your 8th grade student is preparing for the end of the year, we wanted to inform you about the process that the Sweetwater Union High School District will be using to determine your student's participation in promotion ceremonies.

Due to limited opportunities for credit recovery, the Sweetwater District will apply the second semester of 8th grade as validation for promoting. This means students must pass all of their second semester courses to participate in the promotion. Students who meet these requirements will receive a Certificate of Promotion.

For further clarification, please contact your school counselor. Thank you.

Respectfully,

Maria Esther Lizarraga
Executive Director of Curriculum and Instruction
