TO: Future Triton Parent/Guardian
FROM: ELM Administration and Counselors
DATE: February 3, 2020

We had the pleasure of meeting your child at his/her elementary school today. Our Triton counselors provided an overview of what to expect in middle school. During the Future Triton presentation, we discussed the middle school curriculum and reviewed elective and extracurricular programs we offer. Your child should have come home with the following documents:

1. **Green Seventh Grade Course Offering Form**
2. **Elective Course Descriptions Form**
   - *Go over the courses with your child and rank the top five elective courses of interest to them. A rank of one (1) means it is their top choice.*
   - *Counselors will do their best to give your child their #1 elective course. If your child has an IEP, the services outlined in the IEP will be given priority consideration.*
3. **Light Blue Dual Language Form. Students interested in enrolling in DLI must complete this form.***

Please return all three (3) completed forms to your child's sixth grade teachers by March 4, 2020.

Meetings / Events and Location	Dates	Times
